

STE. GENEVIEVE CHALLENGER

BASEBALL

For Kids and Adults With Physical and/or Mental Disabilities

Kids that have physical and/or mental disabilities can play baseball on a team in the Ste. Genevieve County Challenger Baseball League. We're looking for people who want to play baseball.

The Ste. Genevieve County Challenger Baseball League is open to any player from age 5 on up who has a developmental disability. We have teams for players 5-17 years old, and teams for players 18 and up. (Please check the appropriate box on the registration form) Teams will play other teams with the same skill level.

Challenger players will play on the same fields, use the same equipment and wear the same uniforms (including jerseys, pants, socks and hats) as traditional teams.

The most fundamental goal of Challenger Baseball is to **make friends**. As our players make friends, we also play

some baseball. Each player will bat every inning, and each player will play in the field. No score is kept and nobody is ever out. Beyond following basic safety rules, Challenger will adjust certain rules to the skill levels of the children playing. (For instance, players can be pitched to by a coach, or they can hit from a batting tee.)

Challenger Baseball also provides for a "buddy" system (buddies are the main reason our players have fun!). Our buddies are young volunteers, between the ages of 10 and 20, who don't have a disability. The main goal for our buddies is to make friends as they assist our players on the field. For instance, buddies can push players who use wheelchairs around the bases after a hit, or help a player get a ball that gets past him or her. If you know someone who might want to be a buddy for Challenger

Baseball, we could really use them at any game (or games!).

Challenger Baseball participants learn how it feels to pull together as a team and to be cheered. All Challenger players will receive trophies at the end-of-the-season picnic. Parents that have children playing Challenger Baseball have noticed marked improvement in their children's self-esteem, confidence, attention span, learning ability and physical skills.

The 2017 Challenger Baseball season in Ste. Genevieve County starts Saturday, April 22nd at Challenger Field, 11 Challenger Park Dr., Ste. Genevieve, MO 63670.

Registration is \$25 per player, but if this doesn't work with your budget, don't worry about it. Send your registration form, or register online at www.challengerbaseball.org and come on out!

For more information on Ste. Genevieve County Challenger Baseball, please call Sarah Schott at (314) 570-6910, email her at Sarah.E.Schott@ehi.com, or register at www.challengerbaseball.org.

MAIL THIS REGISTRATION FORM (EVEN IF YOU'VE PLAYED BEFORE) TO: Ste. Genevieve County Challenger Baseball, 12430 Par Lane, Ste. Genevieve, MO 63670, OR REGISTER ONLINE AT www.challengerbaseball.org
